

HELP WITH FUNDING YOUR FUTURE RECRUITMENT

The RPM Committee have now allocated all the funds received from the Awards for All Lottery Fund; we are awaiting receipts and advertising copy from Clubs. We hope to report results to you before the end of the year. As promised, we have been looking at other sources of funding.

- 1) **British Heart Foundation Help A Heart Grant.** BHF are looking to fund projects that would help promote healthier lifestyles? Anything that promotes heart health may be eligible for a Help a Heart Grant. They are particularly interested in original and creative ideas.

The maximum award is £2,000 and the deadline for applications is Friday 23rd October. The BHF Committee meets within 3 weeks of the applications deadlines and applicants are told within 2 weeks of that meeting whether they have received a grant. The project must start within 3 months of the award and can run for a maximum of 12 months. At the end of the 12 month period the Group must send a report within one month. A BHF logo/strapline has to be used on all advertising. Full details are available from www.bhf.org.uk or telephone 0300 330 3311

- 2) **Funding Central** is a free website providing access to thousands of funding and finance opportunities, plus a wealth of tools and resources supporting organisations to develop sustainable income strategies appropriate to their needs.

Do not be put off if you are completely or relatively new to fundraising; Funding Central provides a 'guided search' option, enabling you to identify the most appropriate funding and finance opportunities that best suit your Club. www.fundingcentral.org.uk
