KEEP IT ALIVE... RPM

If your Club is in need of an Equal Opportunities Policy you may care to use the following wording.

EQUAL OPPORTUNITIES POLICY

..... **Club** aims to be an Equal Opportunities Club, as we believe that life is positively enriched for all of us by the diversity of individuals in society and that all have a contribution to make.

We aim to ensure that no individual receives less favourable treatment on the grounds of: race, colour, nationality, ethnic or natural origin, age, gender, marital status, caring responsibilities, sexual orientation, physical or mental health, political belief, religion, class, employment status or unrelated criminal conviction.

All members of the Club have responsibility for ensuring that both the spirit and the letter of the Equal Opportunities Policy are implemented and promoted.
